

REMARKS/ARGUMENTS

Applicants canceled claims 5, 8-10, 22-24, 33, and 36-38.

In the Advisory Action, the Examiner found that claims 7-10, 21-24, and 35-38 are allowable and would be allowed if rewritten in independent form including the requirements of the base and intervening claims.

To place the case in condition for allowance, Applicants added the requirements of allowable claims 9, 23, and 37 into independent claims 1, 15, and 29, respectively, and rewrote allowable claims 7, 21, and 35 in independent form including the requirements of the base claims.

Applicants further amended many dependent claims to change "print source file" to "first print source file". Applicants made further amendments to claims to conform to the changes made to the base independent claims.

Conclusion

For all the above reasons, Applicants submit that the pending claims 1-4, 6, 7, 11-21, 25-32, 34-35, and 39-42 are patentable over the art of record. Applicants submit a petition for a one-month extension of time. Nonetheless, should any additional fees be required, please charge Deposit Account No. 09-0466.

The attorney of record invites the Examiner to contact him at (310) 553-7977 if the Examiner believes such contact would advance the prosecution of the case.
